Item 3.03 Material Modification to Rights of Security Holders.

To the extent required by Item 3.03 of Form 8-K, the information contained in Item 5.03 of this report is incorporated herein by reference.

Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

As previously reported in the Definitive Information Statement on Schedule 14C filed by Amaze Holdings, Inc. (the "Company") with the Securities and Exchange Commission on October 26, 2026 (the "Information Statement"), on October 12, 2026, the Company's board of directors (the "Board") and the holder of a majority of the Company's voting power approved one or more reverse stock splits of the Company's common stock, par value $0.001 per share (the "Common Stock"), at an aggregate ratio of not less than 1-for-2 and not more than 1-for-500, with the exact ratio and timing to be determined by the Board.

On November 18, 2026, the Board approved a 1-for-100 reverse stock split of the Common Stock (the "Reverse Stock Split"), and, on the same date, the Company filed with the Nevada Secretary of State a Certificate of Amendment to its Articles of Incorporation, as amended, to effect the Reverse Stock Split (the "Certificate of Amendment"), effective at 4:31 p.m., Eastern Time, on November 24, 2026 (the "Effective Time").

At the Effective Time, every 100 shares of Common Stock issued and outstanding are automatically converted into one share of Common Stock, reducing the number of outstanding shares from approximately 36,137,566 to approximately 361,376. No fractional shares were issued in connection with the Reverse Stock Split, and any fractional share resulting from the Reverse Stock Split was rounded up to the nearest whole share. The Reverse Stock Split affected all stockholders uniformly and did not change the par value of the Common Stock or the number of authorized shares of Common Stock, which remains 93,750,000. As a result of the Reverse Stock Split, the number of shares of Common Stock issuable upon conversion of each outstanding share of the Company's Series B Convertible Preferred Stock, Series C Convertible Preferred Stock and Series F Convertible Preferred Stock was proportionately decreased, and the conversion price of each such series was proportionately increased, in each case to reflect the Reverse Stock Split. All other outstanding securities entitling their holders to purchase or otherwise acquire shares of Common Stock, including any stock options and warrants, were proportionately adjusted as required by the terms of those securities.

The Common Stock began trading on a split-adjusted basis on the OTC Pink Limited Market on November 25, 2026. For a period of 20 business days following the Reverse Stock Split, the Common Stock will be quoted under the symbol "AMZED," after which the symbol will revert to "AMZE." The new CUSIP number for the Common Stock following the Reverse Stock Split is 35804X408.

The foregoing description of the Certificate of Amendment is a summary of the material terms thereof, does not purport to be complete and is qualified in its entirety by reference to the full text of the Certificate of Amendment, which is filed with this report as Exhibit 3.1 and is incorporated herein by reference.

CERTIFICATE OF AMENDMENT TO THE ARTICLES OF INCORPORATION OF AMAZE HOLDINGS, INC.

Amaze Holdings, Inc. (the "Corporation"), a corporation organized and existing under the Revised Statutes of the State of Nevada (the "Nevada Revised Statutes"), hereby certifies as follows:

1. Pursuant to Sections 78.385 and 78.390 of the Nevada Revised Statutes, the amendment herein has been duly approved by the Board of Directors and the holders of a majority of the outstanding voting power of the Corporation.

2. Section 8.1 of Article EIGHT of the Articles of Incorporation, as amended, is hereby amended to add the following paragraph:

To the extent that any stockholder shall be deemed after the Effective Time as a result of this Certificate of Amendment to own a fractional share of common stock, such fractional share resulting from the Reverse Stock Split shall be rounded up to the nearest whole share. Each certificate that immediately prior to the Effective Time represented shares of common stock ("Old Certificates"), shall, automatically and without the necessity of presenting the same for exchange, thereafter represent that number of shares of common stock into which the shares of common stock represented by the Old Certificate shall have been combined, subject to the elimination of fractional share interests as described above."

3. This Certificate of Amendment to the Articles of Incorporation was duly adopted and approved by the Board of Directors and stockholders of the Corporation on the 18th day of November 2026 in accordance with Sections 78.385 and 78.390 of the Nevada Revised Statutes.
