Amaze Partners with Jedari to Bring Integrated E-Commerce Experience to Musicians

Amaze Expands Further Into Music Industry By Teaming Up With Popular Music Content Platform Jedari

NEWPORT BEACH, Calif., Nov. 13, 2025 (GLOBE NEWSWIRE) -- [Amaze Holdings, Inc. \(NYSE American: AMZE\)](#) (“Amaze”) a global leader in creator-powered commerce, today announced a strategic partnership with [Jedari Technology, Inc.](#), a leading platform in community-driven technology solutions for musicians, artists, creators, and brands.

Through this collaboration, Amaze’s integrated AI framework, Amaze Moments, will power dynamic storefronts directly within the Jedari platform. Amaze Moments is a real-time intelligence layer that connects data, AI, and partnerships into one living ecosystem. By interpreting social trends as they unfold, Amaze Moments turns signals into stories, fans into communities, and moments into movements. Those actional insights help creators and brands move at the speed of their audiences by providing data-informed product recommendations and reactive, next-generation design capabilities.

Musicians and creators can now design, launch, and manage custom products while offering fans an integrated shopping experience that features real-time product recommendations.

“This partnership expands our reach into the music industry and demonstrates how Amaze Moments can bring adaptive, data-driven commerce directly into creator communities around the world,” said Gwan Yip, Chief Product Officer at Amaze. “Jedari shares our mission to empower artists and creators with the tools they need to connect authentically with audiences and scale their business.”

The integration with Jedari builds on Amaze’s growing presence in the music industry as the go-to platform for artists who are looking to build authentic and personalized relationships with their fans. Earlier this year, Amaze announced its role as the official merchandise partner of the Breakaway Music Festival and the [Outlaw Music Festival](#), signaling its capabilities in supporting large touring events. Amaze is also the official merchandise partner for [Loaded Dice Entertainment](#), which empowers independent musicians through artist development programs, transparent revenue-sharing, robust music distribution, and innovative marketing strategies, [Jamvana](#), a platform designed to help independent musicians and record labels streamline distribution, publishing administration, and promotion, and [Timmy McKeever](#), an emerging country music singer, among other artists.

Cautionary Note Regarding Forward-Looking Statements

This press release contains “forward-looking statements” within the meaning of Section 27A of the Securities Act and Section 21E of the Securities Exchange Act of 1934, as amended (the “Exchange Act”). These statements relate to future events and developments or to our future operating or financial performance, are subject to risks and uncertainties and are based on estimates and assumptions. Forward-looking statements may include, but are not limited to, statements about our planned acquisitions, strategies, initiatives, growth, revenues, expenditures, the size of our market, our plans and objectives for future operations, and future financial and business performance. These statements can be identified by words such as such as “may,” “might,” “should,” “would,” “could,” “expect,” “plan,” “anticipate,” “intend,” “believe,” “estimate,” “predict,” “potential” or “continue,” and are based on our current expectations and views concerning future events and developments and their potential effects on us.

These statements are subject to known and unknown risks, uncertainties and assumptions that could cause actual results to differ materially from those projected or otherwise implied by the forward-looking statement. These risks include: our ability to execute our plans and strategies; our limited operating history and history of losses; our financial position and need for additional capital; our ability to attract and retain our creator base and expand the range of products available for sale; we may experience difficulties in managing our growth and expenses; we may not keep pace with technological advances; there may be undetected errors or defects in our software or issues related to data computing, processing or storage; our reliance on third parties to provide key services for our business, including cloud hosting, marketing platforms, payment providers and network providers; failure to maintain or enhance our brand; our ability to protect our intellectual property; significant interruptions, delays or outages in services from our platform; significant data breach or disruption of the information technology systems or networks and cyberattacks; risks associated with international operations; general economic and competitive factors affecting our business generally; changes in laws and regulations, including those related to privacy, online liability, consumer protection, and financial services; our dependence on senior management and other key personnel; and our ability to attract, retain and motivate qualified personnel and senior management.

Additional risks and uncertainties that could cause actual outcomes and results to differ materially from those contemplated by the forward-looking statements are included in our Annual Report on Form 10-K, Quarterly Reports on Form 10-Q and other future filings and reports that we file with the Securities and Exchange Commission (SEC) from time to time. Given these risks and uncertainties, you should not place undue reliance on these forward-

looking statements. Also, these forward-looking statements represent our estimates and assumptions only as of the date of the press release. Unless required by law, we undertake no obligation to update or revise any forward-looking statements to reflect new information or future events or developments.
