Amaze Unveils Record-Breaking 2024 Results and Strategic Creator Campaign for 2025

California – December 19, 2024 – Amaze, the leading platform for creator-powered commerce, today announced the 2025 Creator Campaign "**Becoming Amazing > Being Amazing,**" a bold brand awareness campaign that celebrates the journey of continuous improvement and evolution—principles that resonate deeply with creators and best encapsulate the Amaze journey leading up to and including 2024.

With 1.4 million new creators joining the platform, breakthrough revenue milestones for creators, and the launch of innovative products and partnerships from Adobe to Linktree, Amaze solidifies its position as a leader in the creator economy.

Key 2024 Achievements

A Defining Year for Global Expansion

In 2024, Amaze expanded its global fulfillment capabilities with the addition of key facilities in **India** and **Mexico**. These centers empower creators to access high-growth markets with competitive pricing and expedited shipping times. Beyond improving logistics, the localized model has significantly reduced Amaze's environmental impact, underscoring its commitment to sustainability.

Innovative Product Diversification

Amaze continues to redefine creator-driven commerce by offering a diverse product portfolio:

- **180+ Physical Products**: New additions include customizable options that allow creators to tailor products to their brand identity.
- 20+ Digital Product Categories: Launched in Q4, these offerings drive year-round revenue opportunities, especially during critical sales periods like the holidays.
- Custom Product Partnerships: Through a collaboration with Pietra, creators can now design and launch bespoke products—ranging from toys to plushies—seamlessly and efficiently.

Strategic Partnerships and Platform Enhancements

Amaze invested heavily in partnerships and platform integrations that elevate the creator experience:

- Adobe Express Integration: This new tool allows creators to design, customize, and launch products directly within the Amaze
 platform, reducing friction and increasing productivity. Feedback from attendees at Adobe MAX called this feature a game-changer.
- AI-Powered Tools: Partnerships that provided cutting-edge tools for video editing and creativity enhancement.
- Streamlined Shopping Experience: We've enhanced the fan shopping experience with optimized Link In Bio functionality, driving
 engagement and conversions.

Creator Success Stories

2024 showcased inspiring achievements from Amaze creators, highlighting the platform's ability to turn passion into thriving businesses:

- Beach Reads & Bubbly: \$250,000 in revenue from a two-week presale.
- **Don Marshall**: \$75,000 in GMV by selling 1,871 calendars in 14 days.
- Terminal Montage: \$67,000 in plushie sales in just 30 days.

These success stories not only reflect the power of the Amaze platform but also its ability to support creators in achieving meaningful, scalable growth.

Looking Ahead to 2025

2025 will see the launch of "Becoming Amazing > Being Amazing," a bold brand awareness campaign that celebrates the journey of continuous improvement and evolution—principles that resonate deeply with creators who value tools and solutions that help them obtain sustainable revenue.

The year also brings new opportunities with the recently announced **merger with Fresh Vine Wine**, further expanding Amaze's product portfolio and creating new revenue opportunities for creators.

"At Amaze, we believe that becoming amazing is better than being amazing," said Aaron Day, CEO Amaze. "This philosophy of continuous improvement drives every decision we make.
