Cautionary Statement Regarding Forward-Looking Statements

This Current Report on Form 8-K contains forward-looking statements within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934. These forward-looking statements include, but are not limited to, statements regarding the anticipated effective date of the Reverse Stock Split, the expected commencement of trading on a split-adjusted basis, and the acceptance of the COC by the Secretary of State of the State of Nevada. Forward-looking statements are typically identified by words such as “will,” “expect,” “anticipate,” “believe,” “intend,” “plan,” “estimate,” “may,” “should,” “could,” and similar expressions. These statements are based on the Company’s current expectations and assumptions and are subject to risks and uncertainties that could cause actual results to differ materially from those expressed or implied by such statements. Such risks and uncertainties include, but are not limited to, the acceptance of the COC by the Secretary of State of the State of Nevada, the risk that NYSE American may delist our Common Stock, the risk that NYSE American may not timely remove any trading halt on our Common Stock, and general market and economic conditions. The Company undertakes no obligation to update or revise any forward-looking statements, whether as a result of new information, future events, or otherwise, except as required by law.

Item 5.03. Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

On July 14, 2026, Amaze Holdings, Inc. (the “Company”) filed a Certificate of Change, with the Secretary of State of the State of Nevada (the “COC”), which will effect, at 12:01 a.m. Eastern Time on July 24, 2026, a one-for-8 reverse stock split (the “Reverse Stock Split”) of the Company’s issued and outstanding shares of common stock, par value $0.001 per share (the “Common Stock”). In connection with the Reverse Stock Split, the Company proportionally reduced the number of authorized shares of Common Stock from 750,000,000 shares to 93,750,000 shares, which permitted the Company to effect the Reverse Stock Split without shareholder approval pursuant to Nevada Revised Statutes Section 78.207. In connection with the Reverse Stock Split, the CUSIP number for the Common Stock changed to 35804X309.

The Company believes that the Common Stock will begin trading on the NYSE American LLC (“NYSE American”) on a Reverse Stock Split-adjusted basis when the market opens on July 27, 2026.

As a result of the Reverse Stock Split, every 8 shares of Common Stock issued and outstanding will be converted into one share of Common Stock. The Reverse Stock Split will affect all shareholders uniformly and will not alter any shareholder’s percentage interest in the Company’s equity, except to the extent that the Reverse Stock Split would result in some shareholders owning a fractional share. No fractional shares will be issued in connection with the Reverse Stock Split. Shareholders who would otherwise be entitled to a fractional share of Common Stock will instead be entitled to receive one whole share.

The Reverse Stock Split did not change the par value of the Common Stock. All outstanding securities entitling their holders to purchase shares of Common Stock or acquire shares of Common Stock, including stock options, warrants and restricted stock, were adjusted as a result of the Reverse Stock Split, as required by the terms of those securities.

The foregoing description of the COC is a summary of the material terms thereof, does not purpose to be complete and is qualified in its entirety by reference to the full text of the COC, which is filed with this report as Exhibit 3.1 and is incorporated hereby by reference.

The COC has been submitted to the Secretary of State of the State of Nevada and is pending acceptance. The Company will file an amended Current Report on Form 8-K if the COC is not accepted or if there are any material changes to the terms described herein.

Item 7.01. Regulation FD Disclosure.

On July 14, 2026, the Company issued a press release announcing the Reverse Stock Split. A copy of the press release is attached hereto as Exhibit 99.1 and is incorporated herein by reference.

Amaze Announces Trading Halt and 1-for-8 Reverse Stock Split

COSTA MESA, CA / [Newswire] / July 14, 2026 / Amaze Holdings, Inc. (NYSE American: AMZE) ("Amaze" or the "Company"), a global leader in creator-powered commerce, today announced that it will effect a 1-for-8 reverse stock split of its issued and outstanding shares of common stock, par value $0.001 per share (the "Common Stock").

On July 13, 2026, NYSE Regulation halted trading in the Company's Common Stock due to an abnormally low trading price. The abnormally low price followed a brief period of irregular trading in the Common Stock at levels significantly below. The Company has been in active communication with NYSE American regarding the resumption of trading and, following that dialogue, is proceeding with the reverse stock split to restore the per-share price of its Common Stock to a level appropriate for continued listing on the NYSE American.

The reverse stock split will become effective at 12:01 a.m. Eastern Time on July 24, 2026, pursuant to a Certificate of Change filed with the Secretary of State of the State of Nevada on July 14, 2026. The Company expects its Common Stock to begin trading on a split-adjusted basis at the opening of trading on July 27, 2026, under the new CUSIP number 35804X309.

As a result of the reverse stock split, every eight shares of Common Stock issued and outstanding will be combined into one share of Common Stock. The reverse stock split will affect all shareholders uniformly and will not alter any shareholder's percentage ownership interest in the Company, except with respect to the treatment of fractional shares. No fractional shares will be issued; any shareholder who would otherwise be entitled to a fractional share will instead receive one whole share. In connection with the reverse stock split, the number of authorized shares of Common Stock was proportionally reduced from 750,000,000 shares to 93,750,000 shares, which permitted the Company to effect the reverse stock split without shareholder approval pursuant to Nevada Revised Statutes Section 78.207. The par value of the Common Stock remains unchanged at $0.001 per share.

Additional details regarding the reverse stock split can be found in the Current Report on Form 8-K filed on July 14, 2026 with the U.S. Securities and Exchange Commission.

These statements can be identified by words such as "may," "will," "should," "expect," "plan," "anticipate," "intend," "believe," "estimate," "predict," "potential," or "continue."
