You are not being asked to approve anything. This Information Statement is being provided to you solely for your information.

Dear Amaze Holdings, Inc. Stockholders:

This Information Statement is being furnished to the holders of common stock, par value $0.001 per share, of Amaze Holdings, Inc., a Nevada corporation (the "Company," "we," "our" or "us") in accordance with Section 14(c) of the Securities Exchange Act of 1934 (the "Exchange Act"), and Schedule 14C promulgated thereunder. This Information Statement relates to the approval of the actions described below, which were authorized by the unanimous written consent of the Board of Directors of Amaze Holdings, Inc. (the "Board") and by written consent of a majority of the voting power of the Company's issued and outstanding capital stock, in lieu of a meeting of the stockholders. The actions approved grant the Board discretionary authority, without further stockholder approval, to file Certificates of Amendment to the Company's Articles of Incorporation (the "Amendments") to (i) effect an increase in the number of authorized shares of our common stock from 93,750,000 to 4,000,000,000 (the "Authorized Share Increase") and (ii) effect one or more reverse stock splits of the issued and outstanding shares of the Company's common stock, each at a ratio in the range of 1-for-2 to 1-for-500, provided that the combined ratio of all such reverse stock splits shall not exceed 1-for-500 in the aggregate, with such ratio or ratios and implementation and timing of each reverse stock split to be determined in the discretion of the Board of Directors (the "Reverse Stock Split"). The Company shall file the Amendments with the Nevada Secretary of State.

On October 12, 2026, the Board approved the Authorized Share Increase and the Reverse Stock Split. In addition, on October 12, 2026, the holder of 51% of the Company's voting power (the "Majority Stockholder") executed a written consent, in lieu of a meeting of stockholders, approving the Authorized Share Increase and the Reverse Stock Split (the "Majority Stockholder Written Consent"). The Majority Stockholder Written Consent constitutes the only stockholder approval required for the Authorized Share Increase and the Reverse Stock Split under the Nevada Revised Statutes ("NRS"). As a result, no further action by any other stockholder is required to approve the Authorized Share Increase and the Reverse Stock Split and we have not and will not be soliciting your approval of the Authorized Share Increase and the Reverse Stock Split. Notwithstanding the foregoing, the holders of our common stock of record at the close of business on October 14, 2026 (the "Record Date"), are entitled to notice of the Majority Stockholder Written Consent.

In accordance with Rule 14c-2 promulgated under the Exchange Act, the Authorized Share Increase and the Reverse Stock Split will become effective no sooner than 20 calendar days after we mail this Definitive Information Statement to our stockholders.

This is not a notice of a special meeting of stockholders and no stockholder meeting will be held to consider any matter which is described herein. We are not asking you for a consent or proxy and you are requested not to send us a consent or proxy.

This notice and the accompanying Information Statement are being mailed to the holders of our securities as of the Record Date on or about October 26, 2026. AMENDMENTS TO THE COMPANY'S ARTICLES OF INCORPORATION TO EFFECTUATE THE AUTHORIZED SHARE INCREASE AND THE REVERSE STOCK SPLIT

Overview

The Board and the Majority Stockholder have approved amendments to the Company's Articles of Incorporation for the Authorized Share Increase and the Reverse Stock Split. The Authorized Share Increase amendment increases the number of authorized shares of the Company's common stock from 93,750,000 to 4,000,000,000 and the Reverse Stock Split will reduce the number of issued and outstanding shares of the Company's common stock through one or more reverse stock splits, each at a ratio in the range of 1-for-2 to 1-for-500, provided that the combined ratio of all such reverse stock splits shall not exceed 1-for-500 in the aggregate, with such ratio or ratios and implementation and timing of each reverse stock split to be determined in the discretion of the Board of Directors. The increase in authorized shares provides the Company with greater flexibility to issue additional shares for purposes such as raising capital and other corporate needs. However, it may result in dilution for existing stockholders if new shares are issued unless those stockholders acquire additional shares.

The proposed Amendments to effectuate the Authorized Share Increase and the Reverse Stock Split are attached to this Information Statement as Appendix A and Appendix B, respectively. If the Board determines to effect more than one reverse stock split, the Company will file a separate Certificate of Amendment substantially in the form of Appendix B for each such reverse stock split.

Purpose and Effect

As of the Record Date, the Company has 36,137,566 shares of common stock issued and outstanding. The Company requires additional shares for general corporate purposes, including, but not limited to, stock dividends and splits, raising capital, issuing shares under employee stock option plans, or potential future transactions. To address potential limitations, the Company is increasing the number of authorized shares. This adjustment aims to provide flexibility needed for the aforementioned corporate purposes. The Board believes that the Authorized Share Increase will better position the Company to meet its future needs and respond swiftly to business opportunities. These changes will also support general corporate purposes.

In addition, the Board believes that the Reverse Stock Split is advisable and in the best interests of the Company and its stockholders because it is expected to result in a higher per-share price of the Company's common stock, which the Board believes may improve the marketability and value of the common stock for existing and prospective stockholders. The Company's common stock was delisted from NYSE American and is currently quoted on the OTC Pink Limited Market. The Company intends to apply for quotation on the OTCQB Venture Market, and the Board believes that the Reverse Stock Split may better position the Company to satisfy the requirements for quotation on the OTCQB Venture Market. The Reverse Stock Split is also intended to create a more manageable capital structure that may facilitate potential future financing transactions. The Board cannot predict, however, the effect of the Reverse Stock Split upon any future market price of the common stock, and there can be no assurance that the Reverse Stock Split will result in a proportionate increase in the per-share price of the common stock outstanding or that such price, if achieved, will be sustained for any period of time.

On October 12, 2026, the Board unanimously approved and recommended the Authorized Share Increase and the Reverse Stock Split for approval by the Majority Stockholder. On October 12, 2026, the Majority Stockholder approved the Authorized Share Increase and the Reverse Stock Split via written consent.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table lists, based on amounts outstanding as of the Record Date, the number of shares of common stock beneficially owned by (i) each person, entity or group (as that term is used in Section 13(d)(3) of the Exchange Act) known to the Company to be the beneficial owner of more than 5% of the outstanding common stock; (ii) each of our directors; (iii) each of our named executive officers; and (iv) all executive officers and directors as a group. Information relating to beneficial ownership of common stock by our principal stockholders and management is based upon information furnished by each person using "beneficial ownership" concepts under the rules of the SEC. Under these rules, a person is deemed to be a beneficial owner of a security if that person directly or indirectly has or shares voting power, which includes the power to vote or direct the voting of the security, or investment power, which includes the power to dispose or direct the disposition of the security. The person is also deemed to be a beneficial owner of any security of which that person has a right to acquire beneficial ownership within 60 days. Under the SEC rules, more than one person may be deemed to be a beneficial owner of the same securities, and a person may be deemed to be a beneficial owner of securities as to which he or she may not have any pecuniary interest. Except as noted below, each person has sole voting and investment power with respect to the shares beneficially owned.

The percentage of beneficial ownership shown in the table is based on 36,137,566 shares of common stock, 1,400 shares of Series B Preferred Stock, 5,350 shares of Series C Preferred Stock and 1 share of Series X Preferred Stock outstanding as of the Record Date.

Except as otherwise noted below, the address for each person or entity listed in the table is c/o Amaze Holdings, Inc., 150 Paularino Avenue, Suite D-200, Costa Mesa, CA 92626.
